Dr. C. R. Oglesby, of Waycross, Ga., surgeon for the A. C. L. railway, and a friend of Dr. W. H. Powers, has been a pleasant visitor to Ocala. He returned to his home Wednesday.

The tickets for the lyceum entertainment Monday night at the Armory, will be on sale at the Post Office Drug Store Friday morning. The attraction will be Booth Lowry, of Tennessee.

Mr. Hamp Chambers, deputy United States marshal, went as far as Waldo Wednesday to summons a party drawn as a jurymen only to find that the gentleman has been living in Mexico for some years. The list surely needs revising.

Card Club Meeting.

The Wednesday afternoon card club was very pleasantly entertained this week, Mrs. C. L. Gamsby being the hostess. All of the members of the club were present except Mrs. Mason, Miss Louise Gamsby playing substitute. The prize, an extremely pretty glass cream pitcher, was won by Mrs. T. T. Munroe.

In Bed Four Weeks With La Grippe.

We have received the following letter from Mr. Roy Kemp, of Angola, Ind. "I was in bed four weeks with la grippe, and I tried many remedies and spent considerable for treatment with physicians, but I received no relief until I tried Foley's Honey and Tar. Two small bottles of this medicine cured me, and now I use it exclusively in my family." Take no substitutes. Postoffice Drug Store.

OCALA PUSHING AHEAD.

Ocala is making very gratifying progress.

Besides having every dwelling and store building occupied it has several new buildings in the course of erection.

Fronting the Seaboard Air Line depot the Carmichael & Son Company have just completed an eating house for the accommodation of the passengers on the Seaboard Air Line trains. The trains will stop here for dinner instead of Silver Springs as heretofore. The initial dinner will be served tomorrow.

Messrs. Meffert & Taylor have a building well under way near the A. C. L. railway between their basket and crate factory and the Ocala Foundry and Machine Shops. The building covers a great deal of space and will be used for an ice factory and a cold storage plant. This enterprising firm expects to have the building completed and the machinery placed in position in time to begin manufacturing ice for early summer delivery.

Mr. R. E. Yonge is erecting a two story building on Ft. King avenue on the lot recently purchased from the Methodist Episcopal Church, South. This building will be handsomely fitted up and will be used mainly for physicians' offices.

A great many houses in the city are being repaired and repainted and grounds generally improved.

Properties are changing hands and new citizens coming in.

The February Delinquent.

The February Delinquent is a magazine of uncommon interest and value. Its stories, articles and pictures are excellent, and the review of the fashions, including a letter from Mrs. Osborn, is thorough and enlightening. The home life of Calve, the most interesting personality among the favorites of the opera, is described in a remarkable illustrated article by Percy Mitchell. Dr. Grace Peckham Murray's article on the care of the complexion meets an urgent need for just such a scientific treatise simply presented. There are entertaining pages for young people, including chapters of the Little Garden Calendar of Albert B. Paine. There is also timely information on a variety of topics of interest to women, with especial reference to needs of the household.

Bowman the Magician Coming to Ocala.

Prof. Bowman, one of the country's leading magicians and an adept of the black art, will be in Ocala next Monday night, the 18th. Here is what the Tampa Tribune has to say of Prof. Bowman and his company:

"Bowman's big city show gave their entertainment at the Tampa Bay Casino last evening, and to the entire satisfaction of those present. Prof. Bowman is a very clever artist in his line. The transformation dances by Mme. Bowman were exquisitely fine. The mechanical talking figures were mirth provoking. Mme. Bowman gave some wonderful tests in spiritualism and exposing the same."

Popular prices will prevail. Seats may be secured at the Postoffice Drug Store.

Court Matters.

Tuesday morning the circuit court was mainly occupied in hearing the pleas of the attorneys in the Martin Van Buren Van Ness case. The attorneys engaged were Hon. Horatio Davis, of Gainesville, Judge J. M. Young and Col. T. P. Lloyd, of Inverness, and Mr. R. A. Burford, of this city. The court denied the motion of Hon. R. B. Bullock for a new trial in the case of B. F. Lyons.

Pending his appeal for a new trial Judge Bullock has fixed the trial of A. D. Marlow at \$3,000 subject to the approval of the clerk of the circuit court.

Reading Club Meeting.

The meeting of the reading club Tuesday afternoon with Misses Sara and Violet Harris was unusually well attended, thirteen members of the club being present.

Martin Luther was the topic for the afternoon. A number of Luther's letters were read by Mrs. C. C. Todd and a sketch of Luther by Thomas Carlyle was read by Miss Esther Weathers. German history from 1450 to 1550, and the Reformation as well as current events were very interestingly discussed by the club and the meeting was a very pleasant one.

Miss Minnie Gamsby has been re-elected president of the club for the coming year and Mrs. J. J. Gerig, vice president.

Next week the club will meet with Miss Meta Jewett.

Meeting of the Daughters.

The Daughters of the Confederacy held their regular monthly meeting Friday afternoon at the home of Mrs. Charles Mathews. The principal business of the afternoon was the election of officers for 1904. Mrs. Fannie R. Gary, who has been for a number of years the honored and beloved president of the chapter, was unanimously re-elected. Mrs. R. G. Blake was elected first vice president; Mrs. G. M. Hubbard, second vice president; Miss Josie Williams, recording secretary; Mrs. J. H. Livingston, corresponding secretary; Mrs. E. M. Howard, treasurer, Mrs. Frank Harris, historian.

After the business had all been transacted the hostess assisted by her daughter, Miss Annie Mathews, and Miss Louise Scott, served very delicious and palatable refreshments.

A Narrow Escape.

Mr. W. B. Johnson, of the Clark-Ray-Johnson Company, with headquarters at LeRoy, narrowly escaped a fearful accident Tuesday afternoon. He tried to board a moving outgoing train and was not quick enough, and had it not been for July Brown, a colored man, who fortunately was standing near, and caught him he would surely have been dragged beneath the wheels.

Mr. D. A. Clark of the same firm was a passenger in a wreck only a few days before and escaped unhurt.

Rev. Carlisle P. B. Martin, L. L. D.

Waverly, Texas, writes: "I of a morning, when first rising, I often find a troublesome collection of phlegm, which produces a cough, and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung troubles." Price 25c, 50c, \$1 bottle, at Anti-Monopoly Drug Store and Tydings & Co.

Organ Recital.

On Jan. 22d, the Presbyterian congregation will give the people an opportunity of hearing a first class performer on the new pipe organ that they have recently installed, and in addition to this will present a varied program, musical and otherwise, all for the benefit of the organ fund.

The charge for admission will be 50 cents for adults and 25 cents for children, tickets for the entertainment can be had at the Postoffice Drug Store.

Off for Fort Myers.

Hon. Ed. L. Wartmann, county commissioner for the Citra district, left Tuesday for Fort Myers to look after the shipment of fruit on his twenty five acre orange and grape fruit grove. He says the fruit is hanging in unbroken clusters and are so far down the peninsula that they have not been touched by the icy breath of the frost king.

Simple Colds

Cease to be simple if at all prolonged. The safest way is to put them aside at the very beginning. Ballard's Horehound Syrup stops a cold and removes the cause of colds. 25c, 50c and \$1 bottle at Anti-Monopoly Drug Store and Tydings & Co. m

The Rifles' Minstrels.

The Ocala Rifles will some time in the near future give a minstrel show in their spacious armory. Some of the best talent in the city has been engaged for this performance, and Ed. Pittman, the manager, says it will be "right up-to-now" in every detail.

Semi-weekly rehearsals are now being held at the armory by those who have the principal musical parts.

Among those who will take leading parts are Messrs. George R. McKean, Chas. E. Taylor, Alfred Morris, Clifford L. Anderson and Ed. Pittman.

"The date has not yet been fixed, but all will be given ample time and opportunity to arrange for seeing the "greatest show on earth," says Manager Pittman.

Important Decision

Lower Insurance Rates to be Given to Persons who do not Drink Alcoholic Liquors

By a recent decision of one of the largest insurance companies of the United States, lower rates are to be given those persons who do not indulge in the use of any intoxicating liquors. This is just, for statistics from all sources show that the use of alcoholic drinks always predisposes to kidney troubles, and Bright's Disease, Diabetes and all other fatal kidney diseases are far more frequent among drinkers of beer and alcoholic beverages than among those who do not indulge in them.

In a recent address before the Senate of the United States, Hon. J. H. Gallinger, Senator from New Hampshire, gave the results of most thorough investigations made to ascertain the effects of beer drinking upon the health and life of individuals. He showed conclusively that almost all cases of Bright's Disease were caused by beer drinking and that other fatal kidney troubles had the same origin as a rule.

As probably a large majority of men drink beer it becomes a matter of great concern to know the best way of overcoming its effects upon the kidneys. There is nothing that will so quickly make the kidneys right in these cases as FOLEY'S KIDNEY CURE. If taken early it will cure every form of kidney trouble and even in hopeless cases it will give relief. It is an honest preparation and can be relied upon to do all that is claimed for it.
